Whether the Heads of Mutts and of similar institutions which are in enjoyment of Inam grants should be required to submit accounts, is a vexed question. Some of these institutions enjoy very large grants and doubts are entertained in the case of some of them whether such grants are entirely used for the benefit of the institutions and not diverted for unauthorised purposes. It may therefore be desirable to insist upon the maintenance and submission of accounts of these institutions, but there are also difficulties in the way of enforcing an order of this kind. The Religious and Charitable Institutions Regulation as it now stands, appears to make some exceptions in favour of Mutts and the obligation to render accounts the provision about which is contained in Chapter III of the Regulation, seems to be one of such exceptions. The particular institution now under consideration has not so far been subjected to the supervision of any Board of Dharmadarsis and the enforcement of this condition now would ~~appear as~~ an innovation the need for which cannot be justified on the ground of any unsatisfactory management under the existing arrangement as no mismanagement is definitely urged. All things considered it seems best to accept the Revenue Commissioner's view. At the same time, it is not advisable

advisable to make any definite declaration about exemption from the supervision of Dharma darsis, from the need for having a scale of expenditure and from the obligation to submit accounts. It is sufficient for the present if a brief reply is sent to the Muzrai Commissioner to say that, as stated by him, the present position might continue.

SIR,

In forwarding herewith copy of Kadur Deputy Commissioner's -- letter No.A-5-306-26 dated 11th May 1930, recommending the appointment of Dharmadarsis and fixing of a scale patti to the Bababudan Dattatriya Peeta of the Chickmagalur Taluk, I have the honor to state as follows:-

The Bababudan Dattatriya peeta in Chickmagalur is a major Muzrai Institution under Government management. The Deputy Commissioner -- reports that the annual expenditure has for the last eight years ---- always exceeded the receipts and recommends the appointment of Dharmadarsis and the fixing of a scale patti to the Institution. It is seen from the records that about 12,426 persons including Hindus and Mahamadans visit the peeta in March every year during the Urus and - the Sajjada contends that if a scale of income and expenditure is -- fixed, it will be very difficult to act up to it and feed the large congregation and accordingly prays for an exemption from acting up to a fixed scale. Under Government Order No.2159/~~1923~~ 423-16-4 dated 1st March 1917 the Sajjada has been exempted from the submission of ---- monthly accounts to the Amildar. The Sajjada's present grievance ---- that it will be difficult for him to act up to a fixed scale when a large number of visitors and devotees have to be fed, has great force. I beg to recommend that the Sajjada may be given the latitude to ---- spend the money according to the requirements of each occasion and - asked to maintain regular accounts to which he has consented: and

Yours

this will be a sufficient safe-guard against misuse of the funds -- and at the same time preserve the prestige and dignity of the Institution. The Sajjada clai s a position equal to that of a mathadipathi and it may injure moslem feelings to subject him to restraint that do not exist in the case of mathas. I cannot therefore ----- support the proposal to appoint dharmadarsis. I solicit the -- orders of Government in the matter. The connected records ------ accompany.

I have the honor to be,

Sir,

Your most obedient servant,

Absent from Headquarters

Letter No.A.5.306-26 dated 11th May 1930 from the Deputy -- Commissioner, Kadur District to the Muzrai Commissioner in Mysore.

With reference to your No.P.C.72/26-27 dated 22nd November 1926, calling for a report re: the appointment of Dharmadarsis and the preparation of scale patti to the Bababudan Dattatriya Peeta of the Chikmagalur Taluk, I have the honor to state as follows:-

This is a major Institution under Government management, which gets in addition to the land Inams as noted in the margin, a cash

	A	G.	Assessment.	
1. Sarvamanya Inam Suraguppe village.	293	15	Rs.306-3-10	) grant of ---
2. Inam Dattatri Peeta	6220-	29	2629-8- 0	) Rs.150/- per mensem which
Jodi and cesses = Rs.745-2-5.				) is being paid

to the Sajjada for the expenses of the Institution. Out of the realisations from the Inam lands, a sum of Rs.745-2-5 is being paid every year to Government towards jodi and cesses. It is reported that about 12,426 persons visit this Peeta every year and that --- during (March every year) Urus (ಉರುಸ್) many people will assemble there. A statement showing the receipts and expenditure furnished by the Sajjada from the year 1920 to 1928 is herewith submitted -- for perusal.

As per your instructions issued last year during the time of inspection of this office, the Amildar has been asked to prepare a scale patti to the Institution in consultation with the Sajjada who in his statement dated 12-11-1926 stated that accounts were being maintained in the Institution as per Government Order No.2159/1923-16-4 dated 1-3-1917 (flag C). The Sajjada in his statement given before the Amildar on 17-6-1929 has stated that all the persons -- both Hindus and Mahomedans who would go there especially during -- Urus are being fed at the expenses of the Darga, that if a scale of receipts and expenditure is fixed as in case of other Muzrai ----- Institutions, it becomes very difficult to act up to it and that consequently the Darga may be exempted from maintaining such a --- scale.

It is seen from the statement furnished by the Sajjada that the annual expenditure has all along been more than the receipts.

It is not understood how the extra charges shown therein are being met.

I am however, of opinion that so long as the Institution ---- continues to be under Government management, the appointment of - Dharmadarsis to supervise the affairs of the Institution and the preparation of the scale patti to regulate the receipts and --- expenditure of the Institution are quite essential.

The vernacular file received with the Chikmagalur Taluk --- Amildar's report No.6/26-27 dated 23rd December 1929 is herein enclosed for reference and return.
